

CHLOE POWELL
17 Coburn Street, Cardiff CF244BQ
Chloepowell978@yahoo.co.uk
07757774007

Determined, eager and adaptable Maths, Statistics and Operational Research student, with analytical reasoning and social skills that will transfer smoothly into a competitive workplace environment.

RELEVANT SKILLS

IT: Experienced in Microsoft, Python, R, Simul8 and Latex. Written papers in R studio and Latex.

COMMUNICATION: Aptitude for verbal and written skills show cased in University papers; NBA data analysis, hotel maintenance management and python library assessment.

COLLABORATION: Wrote a paper with a peer on the NBA, together we analysed various topics and successfully came to strong statistical conclusions. Combining ideas and individual strengths was the key to a successful team.

INDEPENDENT: Skilled at adapting to any possible constraints and resolving problems alone, appreciate the chance to work on projects independently. Clearly show cased in the paper individually solving hotel maintenance issues.

EFFICIANCY: Prioritizing tasks, setting boundaries and delegating time correctly are all things that come naturally and allow concise and thorough execution of work.
